God is ascended up on high, alleluia

1. God is ascended up on high, *Alleluia*.
With merry noise of trumpet's sound, *Alleluia*.
And princely seated in the sky, *Alleluia*.
Rules over all the world around. *Alleluia*.
2. In human shape and flesh He went, *Alleluia*.
Adornèd with His passion's scars, *Alleluia*.
Which in heaven's sight He did present *Alleluia*.
More glorious than the glittering stars. *Alleluia*.
3. Lord, raise our sinking minds therefore *Alleluia*.
Up to our proper country dear, *Alleluia*.
And purify us evermore, *Alleluia*.
To fit for those regions clear. *Alleluia*.
