## Her Virgin eyes saw God incarnate born

Her Virgin eyes saw God incarnate born,  
when she to Bethl'em came that happy morn;  
how high her raptures then began to swell,  
none but her own omniscient Son can tell.

As Eve when she her fontal sin reviewed,  
wept for herself and all she should include,  
blest Mary with man's Savior in embrace  
joyed for herself and for all human race.

All saints are by her Son's dear influence blessed,  
she kept the very fountain at her breast;  
the Son adored and nursed by the sweet Maid  
a thousandfold of love for love repaid.

Heaven with transcendent joys her entrance graced,  
next to his throne her Son his Mother placed;  
and here below, now she's of heaven possessed,  
all generations are to call her blessed.
