## Holy God, we show forth here

Holy God, we show forth here  
Jesus' death our hearts to clear,  
Jesus' life our life to be,  
Jesus' love the world to free.  
Stay the faithful, win the strayed,  
bless the living and the dead,  
Father, lead us,  
Savior, feed us,  
Spirit, be our store,  
now and evermore.

Lord, unite us every one  
each to other, through thy Son;  
join us truly heart to heart,  
let us ne'er be drawn apart:  
all one Bread, one Body we,  
bound by love to all and thee.  
Blessed Master,  
bind us faster;  
in thy love divine,  
love we thee and thine!
