## There's a wideness in God's mercy

There's a wideness in God's mercy  
like the wideness of the sea;  
there's a kindness in his justice,  
which is more than liberty.  
There is welcome for the sinner,  
and more graces for the good;  
there is mercy with the Savior;  
there is healing in his blood.

There is no place where earth's sorrows  
are more felt than in heaven;  
there is no place where earth's failings  
have such kind judgment given.  
There is plentiful redemption  
in the blood that has been shed;  
there is joy for all the members  
in the sorrows of the Head.

For the love of God is broader  
than the measure of man's mind;  
and the heart of the Eternal  
is most wonderfully kind.  
If our love were but more faithful,  
we should take him at his word;  
and our life would be thanksgiving  
for the goodness of the Lord.
