

Always Enough

William Dale, ca. 1914.

S. L. Merritt.

Always enough of grace is giv'n to me from day to day,  
Always enough of grace to help me on the upward way.

Refrain

Always enough for me(for me),  
Always enough for me(for me),  
This is my song, the whole day long,  
There's always enough for me.

Always enough of comfort to console me when I'm sad,  
Always enough of peace in time of storm to make me glad.

Refrain

Always enough of Jesus' love to fill me with delight,  
Always enough of hope to keep faith's altar burning bright.

Refrain

Always enough of joy to make my heart rejoice and sing,  
Always enough of pleasure in the service of my King.
