

Are You Winning Souls

Carrie Breck, 1905.

Charles Gabriel.

Are you winning souls for Jesus,

As you travel on your way?

Are you telling His salvation

Every hour of every day?

Refrain

Are you winning souls,

Are you winning souls,

Are you winning souls for Jesus?

When your work is done,

Each that you have won

Will shine as a star in your crown!

Are you winning souls for Jesus,

Doing all that you can do,

Living out the blessed Gospel

As He hath commanded you?

Refrain

Are you winning souls for Jesus?

Does your life example prove

Him to be the precious Savior

Sacrificed because of love?

Refrain

Are you winning souls for Jesus,

Precious souls for whom He died?

Are you loyal to the Master,

Who for you was crucified?
