

By the Way of Redeeming Love  
Albert Reitz, 1918.

Oh, the love so full and free  
That the Lord bestowed on me,  
When He bade me come to my heavenly home  
By the way of redeeming love.

Refrain

By the way of redeeming love,  
By the way of redeeming love,  
I'm going home to glory  
By the way of redeeming love.

On the cross His life He gave,  
Every dying soul to save,  
And He points the way to the realms of day  
By the way of redeeming love.

Refrain

I will praise the Lord in song  
Till I join that blood washed throng,  
Nevermore to roam when I reach my home  
By the way of redeeming love.
