

Come to Him Now(Cameron)

Hugh Cameron, 1920.

Hilda Tovey.

Jesus is pleading with someone tonight,
Someone who's still under sin,
Thinking that works can atone for the past,
When salvation is only in Him.

Refrain

Come to Him now, make no delay;
He is the truth, and He is the way;
Come, be at rest, why longer roam?
Jesus now calls you: Come home, come home.

Jesus is pleading with someone tonight,
Someone who's wandered away;
Calling you back from the pathway of sin,
He is waiting in mercy today.

Refrain

Jesus is pleading, then why not tonight
Turn and make Him now your choice;
His blood will blot out the sin of your past,
And your heart in His love will rejoice.
