

Come with Happy Faces  
Fanny Crosby, 1893.  
Hart Danks.

Come with happy faces,  
To the place of prayer;  
Jesus now is waiting;  
We shall find Him there.

Refrain

With a grateful spirit,  
Now our voices raise;  
Thank Him for His goodness,  
In a song of praise.

Come with happy faces;  
Jesus rose today;  
Leave the world behind us,  
Seek the narrow way.

Refrain

Come with happy faces,  
Come with hearts sincere;  
God our thoughts is reading,  
He is ever near.

Refrain

Come with happy faces,  
Learn the words of truth;  
Jesus loves the children;  
Trust Him in our youth.
