

Commit Thy Way  
Charles Barnes, 1911.  
Harriet Grove.

Commit thy way, and day by day,  
The Lord shall lead.  
And He shall trace, with tender grace,  
Thy path'tis all we need.  
For love shall crown,  
Shall crown our life indeed.

Commit thy way; our hearts obey,  
And God doth lead;  
And at the last shall bring to pass  
All that the heart shall plead.  
For love has crowned,  
Has crowned our life indeed.
