

Easter Morn Is Breaking  
Lavinia Brauff, 1897.  
Hart Danks.

Easter morn is breaking,  
Over land and sea;  
Easter bells are ringing,  
Ringin' merrily.

Refrain

Joyously we carol,  
May our songs arise  
To our blessed Savior  
Far above the skies.

Rosy buds are peeping  
Mid the leaflets green,  
Palms and Easter lilies  
Everywhere are seen.

Refrain

We are happy children  
Singing everywhere;  
Jesus loves to have us  
Come to Him in prayer.
