

Faith and Works

Caroline Soule, 1880. Music: Solomon Straub.

Go thy way day by day
The way Heav'n points to thee;
Question never, trusting ever
Peace then shalt thou see.

Refrain

Live aright, day and night,
Loving God forever;
Bearing crosses, heavy losses,
Murmuring Oh, never.

Do thy task never ask
Why must it be done?
Never borrow from the morrow
Use the present sun.

Refrain

Then shalt thou, even now,
Live in God and light;
And when dying dread not lying
In the cold and night.

Refrain

For thou know'st as thou sowest,
So shalt thou e'er reap;
Duty done, is vict'ry won and
Sweet the victor's sleep.
