

Get Right with God

G. H. Sandison, 1906.

In darkness I lingered 'mid doubt and despair,
Sin's bondage long held me a captive to care;
But Jesus delivered my soul from its chains,
His precious blood cleansed me from sin's guilty stains.

Refrain

Get right with God! His pardon is free,
Get right with God, He's waiting for thee;
Our Jesus is calling: "Oh, come unto Me";
Take Him, O sinner, and get right with God.

The world and its pleasures did tempt me to stray,
I saw not the danger that lurked on the way;
The toils closed around me, I knew no release,
But Jesus has found me and giv'n me His peace.

Refrain

The pathway to Calv'ry is toilsome and hard,
Yet tread it, O faint one, and find thy reward;
There lay down thy burden, and wash in the stream
That flows like a fountain, thy soul to redeem.

Refrain

Repent while He calls thee, while yet it is day,
Take with thee His gift of free pardon away;
Take Christ for thy Savior, Redeemer and friend,
His love will sustain thee secure to the end.
