

God's Eternal Word Is Spoken
Theodor Oldenburg, 1840.
Ludvig Lindeman, 1871.

God's eternal Word is spoken,
Piercing mists, around, above;
Of eternal might the token,
Emblem of eternal Love;
Out of darkness, world entralling,
Into Light, O hear its calling.

Word of God, O Word eternal,
May we hear Thy living voice,
Learn the power of Love supernal,
Learn obedience, and rejoice;
God's commands forever heeding,
Follow where His love is leading.
