

God, Our Father, Made the Daylight  
Richard Compton, 1921.  
Old English melody.

God, our Father, made the daylight;  
God, our Father, made the night;  
God made mountains, sea, and sky,  
And the white clouds floating high.

God, we thank Thee for the showers;  
God, we thank Thee for the dew,  
Mighty trees and flowers small;  
God, our Father, gave them all.
