

Going Home to Glory  
Anna Swartz, 1892.  
Frederick Graves.

Do you feel the love of Jesus?  
Does it burn within your heart,  
As you think of what He suffered,  
That His life He might impart?

Refrain

We are going home to glory,  
By and by, by and by;  
We are going home to glory,  
By and by, by and by.

Do you know the love of Jesus?  
Is it more than life to you?  
Do you feel His arms around you?  
Do you love His work to do?

Refrain

Oh, my friend, it is so precious!  
Living just for Jesus here;  
Never need we fear or tremble,  
Only trust that Friend so dear.

Refrain

Jesus loves you, Jesus calls you,  
Won't you heed that call today?  
Give yourself into His keeping;  
He will lead you all the way.
