

He'll Walk with Me All the Way

L. J. Williams, ca. 1913.

Charles Gabriel.

I know that my Savior will never forsake,
I know that my faith in Him never will shake;
My journey a pathway of gladness He'll make,
He'll walk with me all the way.

Refrain

He'll walk with me all the way,
He'll walk with me all the way.
He'll help me o'er sin the vict'ry to win,
And walk with me all the way.

He'll lead me in paths that are pleasant and green,
And show me new glories, so long since unseen;
His hand will I hold all secure and serene,
He'll walk with me all the way.

Refrain

My eyes will new beauty and glory perceive,
As daily His blessing life' tangles unweave;
I'll hold to His hand and no more let Him leave;
He'll walk with me all the way.
