

## How Shall We Escape

James McGranahan, 1887.

God loved a world of sinners,  
For them He gave His Son;  
And whoso'er receives Him,  
He saves them, every one.  
He came to bring salvation,  
To bear our sins away,  
That we with Him in glory  
Might live thro' endless day.

### Refrain

How shall we escape if we neglect so great salvation?  
How shall we escape if we neglect so great salvation,  
Neglect so great salvation?

Behold the bleeding Savior  
Upon the cruel tree  
The Just, condemned, forsaken  
He dies for you and me;  
The Son of God, beloved,  
For us a curse was made;  
That we might have redemption,  
The awful price He paid.

### Refrain

God loves the vilest sinner,  
But hates the smallest sin;  
Then who shall see His kingdom?  
Or who can enter in?  
The precious blood of Jesus  
Let every creature know  
Can make the "chief of sinners"  
Full whiter than the snow.

### Refrain

Return to God, O wand'rer,  
Thy purchased pardon take;  
Thy sins He'll not remember,  
For thy Redeemer's sake;  
He'll cast them all behind Him,  
Or 'neath the deepest sea,  
And love us ever freely,  
Throughout eternity.
