

I Have a Friend Who Loveth Me  
Nils Frykman, 1895.

I have a friend who loveth me,  
He gave His life on Calvary;  
Upon the cross my sins He bore,  
And I am saved forevermore.

Refrain

Oh, hallelujah, He's my friend,  
He guides me to the journey's end,  
He walks beside me all the way,  
And gives to me a crown some day.

My Savior's love so full and free  
Doth light the weary way for me;  
It fills with joy each passing day  
And drives my sorrows all away.

Refrain

I have a friend, a mighty friend,  
Upon His power I may depend;  
He reigneth over every land,  
O'er valley, hill, on sea and strand.

Refrain

O brother, join us in our song!  
This friend to you would fain belong;  
Tho' far from what you'd like to be,  
His grace sufficient is for thee.
