

I Have Given My Cares to Jesus
Josiah Carley, 2011.

I have given my cares to Jesus,
And He took them from my hand;
On the altar of surrender
There I left them, where He stands.

Refrain

What assurance! what a privilege!
What salvation, full and grand!
He has lifted ev'ry burden,
Soothed and helped me with His hand.

I have given my cares to Jesus;
Greatest joy and peace is mine;
Now I know the blessed promise,
Of His saving grace divine.

Refrain

I have given my cares to Jesus,
When the storms upon me pressed,
And He gave me His salvation,
Steadfast refuge, perfect rest.

Refrain

I have given my cares to Jesus;
Childlike trust He did impart;
Never did a song so joyful
Ring as now within my heart.

Refrain

I have given my cares to Jesus;
Now I know that all is well;
On I go to be His witness,
Of His love to ever tell.
