

I Know Whom I Have Believed  
Austin Miles, 1912.

Praises be to God, for I am glory bound,  
For I am a miracle of grace;  
Ask of God a sign, it surely can be found  
In a happy Christian's face.

Refrain

"I know whom I have believed  
And am persuaded that He is able  
To keep that which I've committed  
Unto Him against that day."  
O praise the Lord!

I am under grace, no longer under law,  
In the blessed light of love I'm free;  
To the Word of God I go when sore distressed,  
This is what it says to me:

Refrain

When the days are dreary, spent in pain or woe,  
When the watches of the night are long,  
I'll be trusting Jesus, so in every place  
I can always sing this song.
