

I Love Jesus

Eliza Hewitt, 1910.

Bentley Ackley.

I love Jesus, for He saved my soul;  
From His cross the tides of mercy roll;  
Long and far He sought me, when astray;  
Now, He leads me in His own right way.

Refrain

I love Jesus; He's my King;  
Of His mercy I will sing;  
I will follow in His paths of light,  
Till I see Him in His glory bright.

I love Jesus, for He's always near,  
Ever ready with a word of cheer;  
Ev'ry day, and ev'ry passing hour,  
I will trust Him for His keeping pow'r.

Refrain

I love Jesus when the joy-beams glow;  
Love Him, when the stormy tempests blow;  
I will praise Him while the ages roll;  
Hallelujah! for He saved my soul.
