

If Any Man Hear  
Fanny Crosby, 1905.  
Howard Doane.

If any man now will hear the voice  
Of Christ, and say,  
"Dear Savior, come in and dwell with me,  
Come in, I pray."

Refrain

Peace and pardon He will give;  
O the joy thy heart will know;  
He will cleanse and keep it ever  
Whiter than the snow.

If any man now will hear His voice,  
And open the door,  
Then Jesus will come and sup with him,  
As ne'er before.

Refrain

If any man now will hear His voice,  
And do His will,  
If any man now the world forsake,  
And trust Him still:
