

Jesus! Wonderful Name!

Avis Christiansen, 1915.

C. L. Dorris.

Oh, wonderful name, how my heart thrills to hear it

The name of my risen Redeemer and King!

It falls like the music of Heav'n on my spirit,

And fills me with rapture divine while I sing.

Refrain

Jesus! wonderful name!

Sweeter than all the world to me;

Jesus! ever the same

Now and thro' all eternity.

When lost in my sin, 'twas the name of my Savior

That banished my fear and brought peace to my soul;

I'll sing it in glory forever and ever

With joy while the years of eternity roll.

Refrain

I think of the cross where He suffered to save me,

And oh, how my heart thrills with glory divine

To know it is life everlasting He gave me,

When, sinless, He died for a soul such as mine.
