

Jesus, the Crucified
H. D. Spear, 1909.
Fred Shepard.

On dark Calvary stands a cruel tree,
Where Christ the Savior died;
And the love thus shown doth for sin atone
Jesus the Crucified.

Refrain

O precious cross of Calvary,
Where Christ the Savior died,
Pouring forth His blood, a redeeming flood
Jesus, the Crucified.

All my sins I bring to the cross and cling
Where Christ the Savior died;
And He speaks release, gives my soul sweet peace
Jesus, the Crucified.

Refrain

On this sacred hill precious memories thrill,
Where Christ the Savior died;
And I count but loss all beside the cross
Jesus the Crucified.

Refrain

Come unto the Lord, hear His pardoning word,
Where Christ the Savior died;
All your burdens lay at His feet today
Jesus, the Crucified.
