

Keep on Watching  
Fanny Crosby, 1901.  
Victor Benke.

On the hilltops, on the mountains,  
There are gleams of golden light,  
For the promised morn is dawning,  
And its star is growing bright.

Refrain

Keep on watching, O ye faithful,  
For the time is drawing nigh  
We shall see the King of glory  
With His angels, by and by.

O the promised morn is dawning,  
When the ransomed of the King  
Shall return and come to Zion,  
And His praise forever sing.

Refrain

Hallelujah! what a moment,  
When the dead in Christ shall rise,  
And the trumpet of the ages  
Sound in triumph from the skies!

Refrain

Keep on watching, be not weary,  
For the Lord will surely come;  
He has said, and we believe it,  
He will take His people home.
