

Leaving It All with Jesus

James Gray, 1904.

Owen Pugh.

My heart has come to the place of rest,  
Leaving it all with Jesus;  
The fear of death doth no more molest,  
I'm leaving it all with Jesus.

Refrain

Leaving it all with Jesus,  
Leaving it all with Jesus;  
My peace today, as on yesterday,  
Is leaving it all with Jesus.

I've brought the guilt of my weary soul,  
Leaving it all with Jesus;  
I've brought not part of it, but the whole,  
I'm leaving it all with Jesus.

Refrain

I'm walking safe in a path unknown,  
Leaving it all with Jesus;  
I find the path with His blessings strown,  
I'm leaving it all with Jesus.

Refrain

O wounded soul, here is heav'nly balm,  
Leaving it all with Jesus;  
Then change thy moan to a joyous psalm,  
In leaving it all with Jesus.
