

Let Us Sing of His Love  
Francis Bottome, 1891.  
William Kirkpatrick.

Let us sing of His love once again,  
Of the love that can never decay,  
Of the blood of the Lamb newly slain,  
Till we praise Him again in that day.

Refrain

Let us sing, let us sing,  
Let us sing of His grace full and free;  
For He saves, for He saves;  
Jesus saves, sweetly saves, even me.

There is cleansing and healing for all  
Who have washed in the life giving flood;  
There is life everlasting and joy  
At the right hand of God, thro' the blood.

Refrain

Even now while we taste of His love  
We are filled with delight at His name;  
But what will it be when above  
We shall join in the song of the Lamb.

Refrain

Then we'll march in His name till we come  
At His bidding to enter our rest,  
And the Father shall welcome us home  
To our place in the realms of the blest.

Refrain

So with banner unfurled to the breeze,  
Our motto shall holiness be,  
Till the crown at His hand we shall seize,  
And the King in His glory we see.
