

Love One Another
Lanta Smith, 1905.
George Elderkin.

Precious words of Jesus,
Reaching all our need!
Truest love the message
Wrought in word and deed;
Cheer for all the lonely,
Comfort for the sad,
Sacred, blessed duty,
Make some other glad.

Refrain

Love that never faileth,
Seeketh not her own;
Love that brings rejoicing
Drives away the tears,
Love that lives triumphant,
Thro' eternal years!

Turn the tides of evil,
Cheer the fainting heart;
In the stress of battle,
Bear a noble part;
Sin has open warfare
With the young and brave,
But your hand can rescue,
And your love can save.

Refrain

Love reflects the glory
Of a light divine,
Down each gloomy pathway,
Let the brightness shine;
Let such deeds of mercy
Mark your upward way,
That your path will brighten,
To the perfect day.
