

March on to Victory
Jennie Wilson, 1910.
Bunyan Smith.

Enlisted in the Christian ranks,
A faithful soldier be,
And side by side with loyal ones
March on(march on) to victory.

Refrain

March on(march on) to victory,
March on(march on) to victory;
Beneath the banner of the Lord
March on(march on) to victory(march on).

The conflict may be hard and long,
But triumph is assured,
And Heaven holds a rich reward
For trials here endured.

Refrain

Relying on the Lord of Hosts,
March on to conquer sin,
And to your Leader gladly bear
Each trophy that you win.

Refrain

The joy of conquest will be yours,
When you have overcome,
And after warfare, rest and peace
Await(await) in God's bright home.
