

Merry Missionaries
Harriet Castle, 1900.
Edmund Lorenz.

We are merry missionaries,
Don't you see?
And we give our shining pennies,
Give them free.

Refrain

Don't you hear the pennies dropping?
Dropping, dropping, dropping, dropping,
Never seem to think of stopping,
Hear them fall.

We're so sorry heathen people
Never know
All about the gentle Jesus,
Kind and true.

Refrain

Pennies help to tell the story
Once again,
How the loving, tender Savior
Died for them.

Refrain

Now we're coming down among you
With our cup,
And we hope that you will kindly
Fill it up.

Refrain

You big people might give dollars,
We should say,
If you can't give something smaller,
Any way.
