

Remember Not, O God
The Psalter, 1912.
Arranged from Beethoven.

Remember not, O God,
The sins of long ago;
In tender mercy visit us,
Distressed and humbled low.

O Lord, our Savior, help,
And glorify Thy name;
Deliver us from all our sins,
And take away our shame.

In Thy compassion hear
Thy prisoner's plaintive sigh,
And in the greatness of Thy power
Save those about to die.

Then, safe within Thy fold,
We will exalt Thy name;
Our thankful hearts with songs of joy
Thy goodness will proclaim.
