

Take Care of Me
Fanny Crosby, 1894.
William Kirkpatrick.

Those whose arm has been my stay
All along my pilgrim way,
Let my prayer ascend to thee,
Blessed Lord, take care of me.

Refrain

Blessed Lord, take care of me,
Let Thy love my shelter be,
Till I wake in Heav'n with Thee;
Blessed Lord, take care of me.

Let me hold Thy hand in mine,
Let me hear Thy voice divine;
Like a dove I fly to thee,
Blessed Lord, take care of me.

Refrain

On the weary voyage of life,
Thro' its toil, its care and strife,
O'er a dark and stormy sea,
Blessed Lord, take care of me.

Refrain

Thou my hope, my life, my all,
When the shades of evening fall,
May Thy staff my comfort be,
Blessed Lord, take care of me.
