

The Precious Love of Jesus

Fanny Crosby, 1887.

William Kirkpatrick.

O sing the power of love divine,
The precious love of Jesus,
That bids the light in darkness shine,
And wins the lost to Jesus.

Refrain

O precious, pure, unchanging love,
The boundless love of Jesus;
It binds our heart in union sweet,
And makes us one in Jesus.

'Tis love that conquers every fear,
The precious love of Jesus,
And now by faith has brought us near
The bleeding side of Jesus.

Refrain

'Tis love that fills the joyful heart,
And draws it up to Jesus,
Where neither life nor death can part
The sacred bonds of Jesus.

Refrain

When faith and hope have ceased to shine,
And we are safe with Jesus,
We'll praise the power of love divine
That brought us home to Jesus.
