

There Is Rest for You

Clara Stillman, 1897.

Jarius Stillman.

When the cares of earth are pressing,  
Not a star of hope in view,  
There are healing streams refreshing,  
In a Savior's love for you.

Refrain

Rest for you, rest for you,  
There is sweet rest for you;  
In the healing streams refreshing,  
There is rest, sweet rest for you.

There are stores of hidden treasure,  
Priceless far beyond compare,  
Precious gems you cannot measure;  
Joy and peace and rest are there.

Refrain

There's a haven for the weary,  
Saddened hearts may there find rest,  
Cheerful when the day is dreary,  
Pillowed on the Savior's breast.

Refrain

There's a home and rest forever,  
When the cares of earth are done,  
Where the heart is weary never,  
There is rest for everyone.
