

We Now Have Met to Worship Thee  
Joseph Shoemaker, 1902.

We now have met to worship Thee,  
And glorify Thy name, dear Lord;  
Help every one attentive be,  
And heed the teaching of Thy Word.  
Fill every heart with love divine,  
Teach every tongue Thy praise to sing.

Refrain

Help each to say, Lord, we are Thine,  
And all we have to Thee we bring.  
That when our bodies turn to dust,  
Our souls in Heav'n be glorified.

Assist thy servant to proclaim  
The Gospel message plain and pure,  
That all who hear accept the same,  
And make in Thee salvation sure.  
In Thee alone help us to trust,  
And in Thy love and laws abide,
