

Why I Sing

Ida Lewis, 1894.

Charles Gabriel.

I sing because I love Him  
Because to earth He came  
All those to save who trust Him,  
From endless death and shame.

Refrain

I sing because I love Him,  
Because He died for me;  
For this I shall adore Him  
Through all eternity.

I sing because I love Him;  
From sin He set me free;  
He taught my soul to praise Him  
Filled it with melody.

Refrain

I sing because I love Him,  
For keeping me in peace;  
Until my eyes behold Him,  
My song shall never cease.
