

Yes, He Will

T. M. Eastwood, 1905.

Austin Miles.

When our earthly toils are over,
And low sinks life's setting sun,
Will the Master fondly greet us,
With a joyous, glad "Well done"?

Refrain

Yes, He will, yes, He will;
All His promises are true,
He will keep His word to you.
Yes, He will, yes, He will;
He will keep His word to you.

Will He give His gracious welcome,
To His everlasting rest,
And provide a home eternal,
In the mansions of the blest?

Refrain

Will He place a crown of glory
On our foreheads in His love,
When He reigns in royal splendor,
In His kingdom up above?

Refrain

Will He bid us gather round Him,
And to follow in His train,
When with all His shining angels,
He descends to earth again?
