1.

My mode of life sails o're the troubled sea,
whenever there's a wind within my sails.
But I have a friend who watches over me.
When the breeze turns into a gale.

Cho.

I know the Master of the wind.
I know the Make of the rain.
He can calm the storm, make the sun shine again.
I know the Master of the wind.

2.

Sometimes I soar like an eagle to the sky.
Among the peaks my soul can be found.
An unexpected storm may drive me from the heights.
Brings me low, but never brings me down.
