

## When I look Back Down The Road

1.

When I face a trial or test, and I know I've done my best.  
I know somehow the Lord will see me through.  
When temptations comes my way, I get down on my knees and pray.  
And I say dear Lord, now it's up to you.

Cho.

When I look back down the road, where I lay my heavy load.  
And I think of all the victories I've won.  
Sometimes I get a thrill, when I look back down the hill.  
And I see just where the Lord has brought me from.

2.

There's a river wide and deep, and a mountain tall and steep.  
But you know I've been this way before.  
I'm much stronger Lord this time, and I know I'll make it fine.  
Cause that mountain it don't bother me no more.

3.

There's a valley down below and no doubt I'll have to go.  
To walk that lonely road again someday.  
But it's not so bad down there, with lillies blooming everywhere.  
And the Lord traveling with me all the way.
