

A Couple More Years

D I've got a couple more years on you, babe, **A** that's all.
A7 I've had more chances to fly and more places to fall. **D**
And it ain't that I'm wiser - it's only that I've spent
D7 more time with my back to the wall. **G**
A And I've picked up a couple more years on you, baby, **A7** that's all. **D**

I've walked a couple more roads than you, baby ,that's all.
And I'm tired of runnin' while you're only learning to crawl.
And you're headin somewhere , but I've been to somewhere
and found it was nowhere at all.
And I've picked up a couple of years on you baby , that's all.

Now sayin' goodbye, girl don't never come easy at all.
But you've got to fly 'cuz you're hearin' those young eagles call.
And someday when you're older, you'll smile at a man strong and tall.
And you'll say I've got a couple more years on you, baby - that's all.

I've got a couple more years on you baby , that's all.
You'll say I've had more chances to fly and more places to fall.
It ain't that I'm wiser it's only that I've spent
more time with my back to the wall.
And I've picked up a couple more years on you baby, that's all.
