

Her Father Didn't Like Me Anyway,

D **G**
The coat she wore still lies upon the bed,
A **D**
The book I gave her that she never read
D **G**
She left without a single word to say
A **D**
And her father didn't like me anyway

She always wanted more than I could give
She wasn't happy with the way we lived
I could have felt like asking her to stay
But her father didn't like me anyway

(Chorus)

C **G** **D**
Daddy never knew just what she saw in me
C **G** **D**
Daddy didn't like my hair
C **G** **D**
Perhaps if we had talked he'd have seen something in me
G **G** **D**
But daddy didn't really care.

To tell the truth I didn't have the nerve
I know I only got what I deserved
So now she's taken leave of me today
Her haddy didn't like me anyway

Repeat chorus and then the first verse
