Metropolitan Avenue,

D **Em** **D** **Em**
first days in the loft I thought I might live new faces,new streets
D **Em** **D** **Em**
no cash in the hand was amking me think wot now,whats next
C **G**
thats not to say I wasnt welcomed,i was welcomed I was taken in.
C **G**
i took the bait when I was hunted I was wretched I was freezing

CHORUS

Em **D**
Metropolitan ave standing tall in the winter snow
C **Em**
i'll be back with you before I go.

D **Em** **D** **Em**
dont run like a dog I know how it feels without heat without love
D **Em** **D** **Em**
ran free in the park like jekyll and hyde me and pete, me and pete
C **G**
up half the night unwilling witness to some strangers fued
C **G**
deep underground I hear the notes of some old gmablers blues

CHORUS

Em **D** **C**
this rose will never blossom now it needs
Em **C**
light shinning on its back.
Em **D** **C**
this road will never take me out iv been
Em **c**
stopped in my tracks
C **G**
there goes the night and now the sun begins to filter through
C **G**
i took the bait when I was hunted I was wretched didnt know I was failing you
