

A Rainy Night In Soho

C **F** **G C** **F G**
I've been loving you a long time ,,, down all the years down all the days,,
C **F** **GC** **F G**
And I've cried for all your troubles,,,,,smiled at your funny little ways,,
C **F** **GC** **F G**
We watched our friends grow up together,,, and we saw them as they fell,,
C **F** **G C** **F**
Some of them fell into heaven,,,,,some of them fell into hell

I took shelter from a shower,and I stepped into your arms
On a rainy night in Soho,the wind was whistling all it's charms
I sang you all my sorrows,you told me all your joys
Whatever happened to that old song,to all those little boys and girls

Sometimes I wake up in the morning,the ginger lady by my bed
Covered in a cloak of silence,I hear you talking in my head
I'm not singing for the future,I'm not dreaming of thepast
I'm not talking of the first time,I never think about the past

Now the song is nearly over,we may never find out what it means
Still there's a lot I'm hoping for me,and your the measure of my dreams
The measure of my dreams a rainy night in soho
