

Reconciliation

D A7 D
When summer time has come
D A7
and autumn winds are threatening
D A7
to blow our love away
G A7
It's then love will be tested.
D A7 D
Arm in arm we'll stand,

D G A7
Side by side together
G A7 G
To face the common foe
G A7
That would tear our
love asunder.

Chorus

D A7D
Tura lura lay
D A7
Tura lura laddie
D A7D
Tura lura lay
G A7D
Tura lura laddie

You fair weathered friend
Where are you now I need you
Unlike the autumn sun
A cold December morning

When hard times come around
In cold and stormy weather
There's only you and I, my love
To shelter one another

Chorus

Now there's a time to fight,
And there's a time for healing
As the sun would melt the snow
On clear, bright April mornings.

Our fight has run its course
Now is the time for healing
So let us all embrace
Sweet reconciliation
