Begorrah

Begorrah me heart is all of a dither  
Whenever she passes by  
Begorrah there's always somebody with her  
But let 'em all go to the devil says I

Skipping along as light as a feather  
And leading the boys a dance  
And all of the time I'm wondering whether  
I'm going to be given the ghost of a chance

Night and day I wouldn't be letting her  
Far away from out of me sight  
All the other fellows are getting  
As mad as a hatter but what does it matter

Begorrah at last I've managed to get her  
The sun has begun to shine  
She's made up her mind there's nobody better  
Begorrah tomorrow she's going to be mine

Heigh ho tomorrow is me wedding day  
So tonight I'm proud to say I'm having a party  
Heigh ho you'll find me just across the way  
Singing and making a heck of a noise  
Drowning me sorrows with all of the boys

Heigh ho I'm off to paint the town tonight  
Turn it upside down tonight, oh boy what a party  
Heigh ho get everybody around tonight  
Beat the drum, and get all the people to come

Begorrah at last I've managed to get her  
The sun has begun to shine  
She's made up her mind there's nobody better  
Begorrah tomorrow she's going to be mine
