

She's A Go-er

C F
 Well I think that I should tell you she's a go-er
 G7 C
 And when she goes she won't come back no more
 F C
 There ain't nothing like it when you've got her all alone
 D7 G7
 And there's not anything that can replace her when she's gone
 C F
 Aw I envy you until the day she walks back out your door
 G7 C
 And that she's gonna do cause she's a go-er

F G7 C
 Now don't let her stay too long
 F G7 C
 She'll take the heart right out of your song
 F G7 C
 You'll pay the price for her one time
 F G7 C
 But she won't be back anymore
 F G7 C
 I just thought I'd tell you she's a go-er

F F
 Yes I guess I should have told you she's a go-er
 G7 C
 I should have told you that way back long before
 F C
 But I was trying to overcome the pain she put me through
 D7 G7
 I was fighting to forget her when she got around to you
 C F
 Aw you'll be heaven high till she don't want you anymore
 G7 C
 Then she'll be gone again cause she's a go-er
