C Am
 Don't call my name out your window I'm leaving
 F G7
 I won't even turn my head
 C Am
 Don't send your kin folks to give me no talking
 D7 G7
 I'll be gone like I said

C
 You'd say the same old things that you've been saying all along
 F
 Lay there in your bed and keep your mouth shut 'til I'm gone
 C Am
 Don't give me that old familiar crying cussing moan
 F
 G7 C Am
 Understand your man I'm tired of your badmouthing
 F G7 C
 Understand your man

 You can give my other suits to the Salvation Army
 F G7
 And everything else I leave behind
 C Am
 I ain't taking nothing that'll slow down my traveling
 D7 G7
 While I'm untangling my mind

C
 I ain't gonna repeat what I said anymore
 F
 While I'm breathing air that ain't been breathed before
 C Am
 I'll be as gone as a wild goose in winter
 F G7 C Am
