

## WHAT DO I CARE

When I'm all through if I haven't been what they think I should be  
If the total isn't high enough when they figure me  
When I grow old if there's no gray from worry in my hair  
What do I care what do I care  
What do I care just as long as you were mine a little while  
When the road was long and weary you gave me a few good miles  
hat do I care if I miss a goal because I make a slip  
I'll still be satisfied because I tasted your sweet lips  
What do I care if I never have much money  
And sometimes my table looks a little bare  
Anything that I may miss is made up for each time we kiss  
You love me and I love you so what do I care  
[ guitar ]  
What do I care just as long...
