

## Blessing In Disguise

K. Kristofferson

(intro verse written by Carter/Warren)

D D7 G  
 You wouldn't read my letter if I wrote you  
 A D A  
 You asked me not to call you on the phone  
 D D7 G  
 But there's somethin' I wanted to tell you  
 A D  
 So I wrote it in the words of this song

D G D G-D  
 Well I guess you know, you took me by surprise  
 A G D G-D  
 When you told me that you'd broken all the rules  
 D G D G-D  
 And the future felt as empty as your eyes  
 A D G-D D7  
 When I realized how far I was from you

## CHORUS:

G D  
 But they tell me that the truth will set you free  
 A G D D7  
 G D G  
 And it led me to a side of you that I'd refused to see  
 D A G  
 So I guess it's been a blessing in disguise

BREAK: D A G

So there's nothing left to keep us holding on now  
 To the mystery we used to be before  
 What we ever shared together there is gone now  
 And what might have been don't matter anymore

## CHORUS:

But they tell me that the truth will set you free  
 And it led me to a side of you that I'd refused to see  
 So I guess it's been a blessing in disguise

OUTRO: D A G D G D
